

# Ag A-B-C's

You'll see all these things on Minnesota farms. Put each group of five words in alphabetical order in the boxes next to each group.

## Field Crops

## Farm Animals

|             |      |         |   |
|-------------|------|---------|---|
| soybeans    | corn | sheep   | c |
| wheat       |      | pigs    |   |
| corn        |      | poultry |   |
| peas        |      | cattle  |   |
| sugar beets |      | goats   |   |

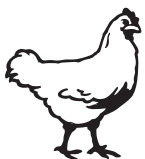

## Special Crops

## Farm Machinery

|            |  |             |  |
|------------|--|-------------|--|
| flowers    |  | tractor     |  |
| sod        |  | farm truck  |  |
| apples     |  | computer    |  |
| vegetables |  | plow        |  |
| trees      |  | corn picker |  |

Geese, chickens, turkeys and ducks all fit in a group of two-legged animals called \_\_\_\_\_.

Hint: The answer is on this page.
